Golf fore MADD!

Mothers Against Drunk Driving (MADD) Canada is a charitable grassroots organization that is committed to stopping impaired driving and supporting the victims of this violent crime.

Each year, thousands of Canadians are killed or injured in impaired driving crashes. Driving under the influence of alcohol or other drugs is a crime that touches all our lives. It is an irresponsible, dangerous and intolerable act. MADD Canada strives to offer support services to victims, heighten awareness about the dangers of alcohol and/or drug-impaired driving and save lives and prevent injuries on our roads.

At the heart of MADD Canada are its volunteers. They include not only mothers, but fathers, friends, business professionals, experts in the anti-impaired driving field and concerned citizens who want to make a difference in the fight against impaired driving.
