York Regional Police 2025 GTA Anti-Money Laundering Symposium

The York Regional Police Financial Crimes Unit is proud to host the 3rd annual GTA Anti-Money Laundering Symposium. The event will be hosted in October 2025 at the York Regional Police Association in Aurora, Ontario.

The 2024 Symposium attracted 185 attendees from across Canada, including financial institutions; money services businesses; law enforcement agencies; lottery, casino and gaming organizations; government regulators and other government agencies. Continuing with our successes from the previous years, we are anticipating approximately a similar number of attendees at the 2025 event.

The goal of this symposium is to bring together the diverse AML community to learn about the latest issues and share best practices on how to identify, track and mitigate money laundering and financial crimes, and most importantly, to network as an AML community.

Attached is the event prospectus that outlines the levels of corporate sponsorship available, and we are asking for your support through either a sponsorship or donation. Please note that this event is not-for-profit; all funds donated will be used for hosting purposes.

Thank you in advance for your consideration and support.

Respectfully,

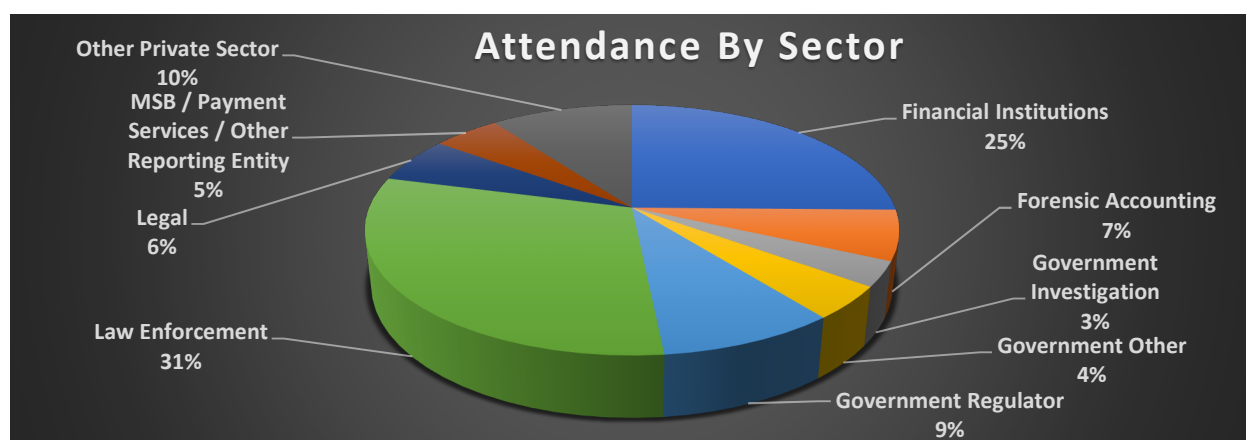

Inspector Michael Elliott #556
